6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The necessary integration for quality assurance is done through decentralization and is effectively carried out as per quality policy in line with the suggestions of IQAC. The contribution of IQAC in institutionalizing quality assurance strategies and process are:

- Standardization procedures to organize various activities and standard formats for their quality assessment.
- Inculcating uniform data base management practices in all departments and various divisions.
- Establishment and standardization of various parameters for various academic and administrative activities of the institute.
- Organization of seminars and workshops on quality and related themes
- Adoption and dissemination of best practices and development of quality culture in the institute.
- Uniform student performance evaluation mechanism of the institute.
