2.6 Student performance and learning outcomes

2.6.1 Program outcomes (POs) and Course Outcomes (COs) for all programmes offered by the institution are stated and displayed on website

- Sir C R Reddy college of Engineering is affiliated to JNTUK University, Kakinada. The institution has adopted the Program Outcomes (POs)/Graduate attributes in line with the program outcomes defined by the National Board of Accreditation (NBA) and Washington Accord.
- To ensure that students gain the necessary skills and knowledge, Programme Specific Outcomes (PSOs) are established and approved by Program Assessment Committee (PAC) and Department Advisory Committee (DAC).
- Course Outcomes (COs) of courses offered by the university though defined by the university are modified suitably to meet the learning outcomes of courses as felt by the subject teachers. Courses are categorized into modules supervised by a module coordinator and course coordinator. The COs defined are vetted by the course coordinator and module coordinator before being submitted to PAC and DAC for finalization. Both COs and POs are so defined as to align with the Program Educational Objectives (PEOs) of a program.

The institution uses the following process to ensure faculty and students are aware of POs, COs and PSOs

- **Website:** To ensure transparency and awareness, POs, PSOs and COs are published on the institutional website.

Learning Outcomes for each Department are available in Department profiles:

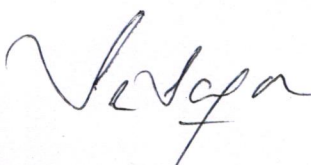

https://sircrrengg.ac.in/index.php?option=com_content&view=article&id=32&Itemid=135

- **Syllabus:** All courses of the curriculum have well-defined COs in the affiliated university syllabus. The hard copy of the syllabus is made available to every student and digital copies are available on the institutional website, ensuring widespread access to COs.

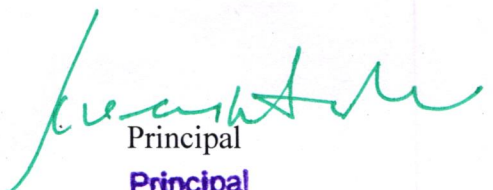

Syllabus for each Department are available in Department profiles:
