The students and staff of

ELECTRICAL & ELECTRONICS ENGINEERING DEPARTMENT

Sir C R Reddy College of Engineering

Cordially invite you to grace the occasion of One day Workshop on

“Intellectual Property Rights”

on 12-07-2019

By

Novel IPR Academy, Vishakhapatnam

Sri Jasti Mallikharjunudu,

Correspondent of Sir C R R College of Engineering
Will be the Chief Guest

Sri K. Hari Rama Krishnama Raju

I/C. Correspondent of Sir C R R College of Engineering
Has kindly consented to be the Guest of Honour

Dr. G. SAMBASIVA Rao, Principal

Has kindly consented to be the Guest of Honour

Dr. A. Srinivasa Reddy, Professor & HOD,EEE

Will preside over the function

Venue : A/C AUDITORIUM

With best wishes from Management Committee Members

**DEPARTMENT OF ELECTRICAL AND
ELECTRONICS ENGINEERING**

SIR C R REDDY COLLEGE OF ENGINEERING, ELURU

Approved by AICTE & Affiliated to JNTUK, Kakinada

SIR C R REDDY COLLEGE OF ENGINEERING, ELURU
DEPARTMENT OF MECHANICAL ENGINEERING

Workshop on Intellectual Property Rights

REPORT

⋮
Academic Year: 2019-20

⋮
Date: 13-07-2019

Basic information about the workshop:

Title of the workshop : **Workshop on Intellectual Property Rights**
About the resource person : Novel IPR Academy, Visakhapatnam
Stakeholders : All the students of II/III/IV B. Tech - Mechanical Engineering.
Background of the Stakeholder : Stakeholders are UG students who have the basic knowledge of Mechanical Engineering.

Inauguration: Started at 09:30AM

Forenoon Session: Started at 09:40 AM

Lunch Break: From 1.00 PM to 2.00 PM

Afternoon Session: Started at 2.15 PM

Valedictory: Started at 04:45 PM

Feedback and Recommendations

About The IPR Workshop:

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people, Sir C R Reddy College of Engineering is organizing a one day Workshop on Intellectual Property. The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc.

Introduction:

Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property. The main purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. An intellectual property right refers to the general term for the assignment of property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on the use of the item for a specified period.

Major Intellectual Property:

Copyright: Copyright is a legal term describing rights given to creators on their literary and artistic works.

Related Rights: Rights granted by law to communicators of works to the public.

- Performers
- Broadcasting Organizations

Performer's Rights: It includes recording, broadcasting and communicating to the public of a live performance. Its duration is about 50 years.

Rights of Broadcasting Organizations: It includes Broadcast Reproduction Right. It mainly focuses on Re-broadcasting, Recording and Communicating to the Public of a Broadcast. It has duration of about 25 years.

Patent: A patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem. The limited monopoly right granted by the state enables an inventor to prohibit another person from manufacturing, using or selling the patented product or from using the patented process, without permission. The time period of patent is about 20 years.

Industrial Design: An industrial design is the ornamental or aesthetic aspect of an article which must appeal to the eye. The design may consist of three-dimensional features, such as the shape or surface of an article, or of two-dimensional features, such as patterns, lines or color.

Trademark: A trademark is a distinctive sign which identifies certain goods or services as those produced or provided by a specific person or enterprise.

Geographical Indication: Geographical Indication is an indication which identifies goods as agricultural goods, natural goods or manufactured goods as originating, or manufactured in the territory of country, or a region or locality in that territory, where a given quality, reputation or other characteristic of such goods is essentially attributable to its geographical origin.

Layout Design: It includes layout of transistors and other circuit elements, including lead wires connecting such elements and expressed in any manner in a semiconductor integrated circuit (IC).

Trade secret: Some inventions, data, information cannot be protected by any of the available means of IPRs. Such information is held confidential as a trade secret. Trade secret can be an invention, idea, survey method, manufacturing process, experiment results, chemical formula, recipe, financial strategy, client database etc.

The protection of plant varieties and farmers' rights: The Protection of Plant Variety and Farmers Right Act, 2001 (PPVFR Act) is an Act of the Parliament of India that was enacted to provide for the establishment of an effective system for protection of plant varieties, the rights of farmers and plant breeders, and to encourage the development and cultivation of new varieties of plants.

Sessions of the Workshop:

The workshop was carried out in 3 sessions. The speaker & the guest of honour were from Novel IPR Academy, Visakhapatnam.

First session:

The introductory session was taken by the speaker. In this session, a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

Second session:

Complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial law available under each right & the limitations of each right.

Third session:

The session began with explaining the various aspects of copy right. Discussed in detail about the topics like 'What is copyright?', 'What do we mean by author or creator?' Originality of Literary works, Judicial decisions(Copyright in judgments produced by courts vs government) etc. He concluded the session by discussing about Trademark", "Service Mark and Collective mark.His presentation was much informative as cited interesting case studies.

At the end of third session,an activity for the students was conducted, where students were given an activity to come up with an innovative idea, solution & presentation for the given problem statements. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups. The third session was ended at 04:45 P.M

The workshop was concluded by the valedictory session which was undergone in presence of Dr.M.B.S.V. Prasad, Secretary and Dr. G SambasivaRao, Prinicpal of the college where each participant was awarded by a certificate of participation.

EVENT ORGANIZED REPORT (2019-20)

Name of the department	Computer Science and Engineering
Name of the event organized	Seminar
Title of the event	One Day Seminar On RESEARCH TOPIC SELECTION & DEFINING RESEARCH PROBLEM
Date of event organized	16-09-2019
Name of the staff coordinator	K.N..Madhavi Latha
Target audience/participants	FACULTY
Number of participants	21
Name of the expert with designation	Dr.G.Loshma Professor Department of CSE Sri Vasavi Engineering College
Objective of the event	<ul style="list-style-type: none">• The main objective of this course is to introduce the basic concepts in research methodology in Social science.• This course addresses the issues inherent in selecting a research problem and discuss the techniques and tools to be employed in completing a research project.• This will also enable the students to prepare report writing and framing Research proposals.
Outcome of the event	<ul style="list-style-type: none">• This course will help them to select an appropriate research design.• With the help of this course, students will be able to take up and implement a research project/ study.• The course will also enable them to collect the data, edit it properly and analyse it accordingly. Thus, it will facilitate students' prosperity in higher education.• Participants will develop skills in qualitative and quantitative data analysis and presentation.• Participants will be able to demonstrate the ability to choose methods appropriate to research objectives.

REPORT

10-09-2019

Title: Workshop Report: **Research Methodology**

Key Components of Research Methodology in Civil Engineering:

1. Literature Review:

- Conducting a thorough literature review is essential to identify existing knowledge, gaps in research, and emerging trends relevant to the research topic.
- Reviewing published papers, technical reports, conference proceedings, and academic journals helps researchers build a strong theoretical foundation for their study.

2. Problem Identification and Formulation:

- Clearly defining the research problem is critical for setting objectives, scope, and hypotheses of the study.
- Formulating research questions or hypotheses guides the research process and ensures alignment with the overall research objectives.

3. Research Design:

- Selecting an appropriate research design depends on the nature of the research problem, objectives, and available resources.
- Common research designs in civil engineering include experimental studies, observational studies, case studies, and simulation based research.

4. Data Collection:

- Choosing suitable data collection methods and instruments is crucial for obtaining reliable and valid data.
- Data collection techniques in civil engineering research may include surveys, interviews, field measurements, laboratory experiments, and remote sensing.

5. Data Analysis:

- Data analysis involves organizing, interpreting, and drawing conclusions from collected data.
- Statistical analysis, numerical modeling, and computational simulations are common techniques used for data analysis in civil engineering research.

DEPARTMENT OF MANAGEMENT STUDIES

Programme Report

Name of the activity : ENTREPRENEURSHIP SKILLS

Resource person : Sri PINNAMANENI DHANA PRAKASH, Managing Director,
Model dairy Pvt.Ltd, Nidamanuru, Vijayawada.

Date & Time : 17-10-2019 by 10.30 A.M at A/C Seminar Hall

No.of participants : 40

As a part of department of MBA, Sir CRR College of Engineering, Eluru organized workshop on
"ENTREPRENEURSHIP SKILLS" on 17-10-2019

The objective of the workshop: -

The purpose of the session is to assist students to develop problem-solving skills, overcome mentality to
cultivate a positive attitude and increase understanding of the value of creativity and idea generation.

The resource person shared the following points to make them as successful future entrepreneur

1. The speaker began by sharing tales of prosperous Indian and international businesspeople.
2. He emphasised the necessity of an entrepreneurial mindset to accomplish both personal and societal goals.
3. He emphasised the value of coming up with business concepts, being creative, and having a proactive mindset in order to overcome different challenges.

There were about 40 students present for the programme. The resource person answered the students' questions with great skill. The workshop received very excellent comments.

EVENT ORGANIZED REPORT (2019-20)

Name of the department	Information Technology
Name of the event organized	Guest Lecture
Title of the event	Brand Building And Marketing Traits In Entrepreneurship
Date of event organized	29/01/2020
Name of the staff coordinator	G PAVAN
Target audience/participants	students
Number of participants	
Name of the expert with designation	GANESH NAG DODDI CEO, Brain O Vision Pvt Ltd, HYDERABAD
Objective of the event	Branding plays a fundamental role in entrepreneurship as it helps businesses differentiate themselves in a competitive market. A strong brand establishes credibility, trust, and loyalty with customers. It allows entrepreneurs to communicate their unique value proposition and build an emotional connection with their target audience. Effective branding enables businesses to charge premium prices and attract customers based on reputation rather than price alone.
Outcome of the event	Monitoring brand perception is an integral part of entrepreneurship branding. By consistently assessing how your target audience perceives your brand, you can make informed decisions to strengthen its impact. Tracking customer feedback, whether through surveys or social media listening, helps identify areas for

metrics such as website traffic, social media engagement, and customer sentiment provides valuable insights into your brand's performance.

EVENT ORGANIZED REPORT (2019-20)

Name of the department	Information Technology
Name of the event organized	Seminar
Title of the event	Entrepreneurship and India :Strategies For Transformation And Growth
Date of event organized	28/2/2020
Name of the staff coordinator	G KRISHNAVENI
Target audience/participants	STUDENTS
Number of participants	90
Name of the expert with designation	Prof V CH VENKAITH CENTRAL UNIVERSITY, HYDERABAD
Objective of the event	<ul style="list-style-type: none">➤ Tracing the historical journey of entrepreneurship from the medieval age to the vibrant entrepreneurial landscape of today.➤ Understand the pivotal role of key factors such as the New Economic Policy of 1991, the impact of Shark Tank India, and the government initiative Startup India in shaping the contemporary entrepreneurial landscape.➤ Economic Development and Employment are some of the effects and indirect contributions that entrepreneurship has on the Indian economy.➤ When it comes to sustaining economic growth in India, fostering entrepreneurship for innovation, living standards, and social change, is an imperative need.

today and has reached the global level. With new economic policies and the rise of startups in India, more jobs are created in the market. It is helping India's economy to grow and attract massive investments. Given the current policies for entrepreneurs and the growing market, the growth of entrepreneurship will be bright in the coming years.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING**

INVITATION

ONE DAY GUEST LECTURE ON

“Research Opportunities in Electrical Engineering”

ON

06-03-2020 10:00 A.M ONWARDS

VENUE

A.C SEMINAR HALL

CHIEF GUESTS

SRI JASTI MALLIKARJUNUDU

Correspondent, Sir C.R. Reddy College of Engineering

SRI HARI RAMA HRISHNAM RAJU

Managing Committee & Designated Representative, Sir C.R Reddy College of Engineering

GUESTS OF HONOR

Dr. G. SAMBASIVA RAO

Principal, Sir C.R. Reddy College of Engineering

Dr.A.SRINIVASA REDDY

HOD, Department of EEE, Sir C.R.Reddy College of Engineering

RESOURCE PERSON

Sri G V RAMA KRISHNA

Assistant Executive Engineer

Vidyut Soudha

Vijayawada

ORGANIZED BY

Department of Electrical & Electronics Engineering

Faculty Co-ordinators

Sri S.N.V.Bramareswara Rao

4. Student Circular

SIR C R REDDY COLLEGE OF ENGINEERING, ELURU

Approved by AICTE & Affiliated to JNTUK, Kakinada

Department of Electrical and Electronics Engineering

CIRCULAR

24/02/2020

This is to inform the students of II Year B.Tech, that the Department of Electrical and Electronics Engineering is organizing one day Guest Lecture on **“Research Opportunities in Electrical Engineering”** on 6th March 2020. All the students must attend the Workshop without fail. If any quires contact the program Co-Ordinator Sri S.N.V.Bramareswara Rao., Assistant Professor, Department of EEE.

HOD, EEE

Copy to: All 2nd Year EEE Students

5. Student Attendance Report
