

SIR C R REDDY COLLEGE OF ENGINEERING, ELURU

SCRRCE/Principal's Office/Notices/22-23/34

Date:30/11/2023

NOTICE

In observance of National Pollution Control Day 2023, our college is proud to announce the implementation of "No Vehicle Day" on 2nd December, 2023. This initiative is aimed at promoting environmental consciousness and reducing pollution levels within our campus premises.

The event will be coordinated by the Department of Civil Engineering and the Department of Physical Education.

On the designated day, no vehicles will be permitted beyond the cycle-shed located near the college entrance. We kindly request all students, faculty, and staff to adhere to this arrangement and cooperate fully with the organizing departments.

We encourage everyone to actively participate in this initiative by opting for alternative modes of transportation such as walking, cycling, or carpooling. Let us collectively demonstrate our commitment to environmental sustainability and contribute towards creating a cleaner and greener campus environment.

NOTICE

As we commemorate National Pollution Control Day 2022, our college takes pride in announcing the implementation of "No Vehicle Day" on 2nd December, 2022. This noble initiative aims to foster environmental awareness and curb pollution levels within our campus boundaries.

The coordination of this event falls under the purview of the Department of Civil Engineering and the Department of Physical Education.

On the specified day, access beyond the cycle-shed near the college entrance will be restricted to vehicles. We earnestly request everyone's cooperation in adhering to this arrangement and extending full support to the organizing departments.

We urge all members of our college community to actively engage in this initiative by embracing alternative modes of transportation, such as walking, cycling, or carpooling. Let us unite in showcasing our dedication to environmental sustainability and contribute to nurturing a cleaner and greener campus environment.

NOTICE

In observance of National Pollution Control Day 2021, our college is delighted to announce the commencement of "No Vehicle Day" on 2nd December, 2021. This initiative aims to raise awareness about environmental conservation and minimize pollution levels within our campus precincts.

The coordination of this event is being overseen by the Department of Civil Engineering and the Department of Physical Education.

Please note that on the specified date, no vehicles will be permitted beyond the cycle-shed located near the college entrance. We sincerely urge all students, faculty, and staff to cooperate fully with the organizing departments in ensuring the smooth execution of this endeavor.

We encourage everyone to actively participate by embracing alternative transportation methods such as walking, cycling, or carpooling. Let us unite in demonstrating our steadfast commitment to environmental sustainability and fostering a healthier campus environment for all.

SCRRCE/Principal's Office/Notices/19-20/22

Date:30/11/2020

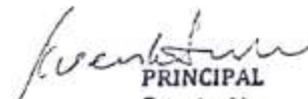

NOTICE

As we commemorate National Pollution Control Day 2020, our college takes great pleasure in announcing the observance of "No Vehicle Day" on 2nd December, 2020. This initiative is geared towards instilling environmental consciousness and minimizing pollution levels within our campus premises.

The coordination of this event has been entrusted to the capable hands of the Department of Civil Engineering and the Department of Physical Education.

On the designated day, access beyond the cycle-shed near the college entrance will be strictly restricted to vehicles. We kindly request all members of our college community to extend their full cooperation to the organizing departments to ensure the success of this initiative.

We encourage everyone to actively participate by opting for alternative modes of transportation, such as walking, cycling, or carpooling. Let us unite in our collective commitment to environmental sustainability and work towards creating a cleaner and healthier campus environment.

SCRRCE/Principal's Office/Notices/18-19/45

Date:29/11/2019

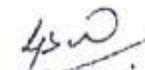

NOTICE

In honor of National Pollution Control Day 2019, we are excited to announce the introduction of "No Vehicle Day" on 2nd December, 2019. This initiative serves as a testament to our collective commitment to environmental stewardship and pollution reduction within our college premises.

The coordination of this event is being diligently managed by the Department of Civil Engineering and the Department of Physical Education.

Please be informed that on the designated day, vehicular access beyond the cycle-shed near the college entrance will be strictly prohibited. We sincerely request the cooperation of all students, faculty, and staff in supporting the organizing departments to ensure the seamless execution of this initiative.

We encourage everyone to actively participate by embracing alternative transportation methods such as walking, cycling, or carpooling. Together, let us demonstrate our unwavering dedication to environmental sustainability and contribute towards cultivating a cleaner and healthier campus environment.
