EVENT REPORT

Name of the program: UGADI CELEBRATIONS

Date: 22-3-2023

Venue : At MBA Block

Organized By: MBA Department

Introduction:

Ugadi, the traditional New Year's Day for the people of the Deccan region of India, is celebrated with immense joy, cultural fervor, and traditional rituals. It marks the onset of the spring season, infusing nature with festive spirit. The Ugadi festivities at Sir C R Reddy College of Engineering were a vibrant celebration of tradition and community spirit.

Event Highlights:

Traditional Attire and Presentations: The students, faculty, and staff of Sir C R Reddy College of Engineering adorned themselves in traditional attire, adding to the festive ambiance. They shared insights into the significance of Ugadi and the customary Ugadi Pachchadi, symbolizing the various aspects of life.

Culinary Delights: As part of the celebrations, students prepared tasty Ugadi Pachchadi and traditional sweets, adding flavors of tradition to the event. The aroma of the dishes filled the air, further enhancing the festive atmosphere.

Competitions and Activities: Various competitions such as Rangoli making, preparation of Ugadi Pachchadi and sweets, and decoration competitions were organized. Students enthusiastically participated, showcasing their creativity and talent. The active involvement of faculty members in judging these competitions added to the spirit of camaraderie and festivity.

Conclusion: The Ugadi celebrations at Sir C R Reddy College of Engineering were a testament to the vibrant cultural tapestry and community spirit prevalent on campus. Through traditional rituals, culinary delights, and engaging activities, students and faculty members came together to celebrate the auspicious occasion of Ugadi with enthusiasm and zeal. The event not only celebrated the advent of the New Telugu Year but also strengthened the bonds of friendship and camaraderie within the college community. As attendees departed, they carried with them memories of a joyous celebration, eagerly anticipating the opportunities and blessings that the New Year would bring.

EVENT REPORT

Name of the program: Sankranthi Celebrations

Date: 13-01-2023

Venue: In college

Organized By: Institution- Sir C R Reddy College of Engineering

Introduction: Sankranthi, also known as MakarSankranti, is a vibrant and joyous festival celebrated across India, marking the transition of the sun into the zodiac sign of Capricorn. At Sir C R Reddy College of Engineering, this auspicious festival is celebrated with great fervour and enthusiasm, bringing together students, faculty, and even some four-legged friends to partake in the festivities.

Event Highlights:

The Sankranthi celebration at Sir C R Reddy College of Engineering is a colorful spectacle filled with various traditional activities and rituals. Here are some of the highlights:

- **Rangoli Competition:** Students showcase their artistic talents by creating intricate rangoli designs using vibrant colors and traditional motifs. This competition adds a splash of color and creativity to the festivities.
- **Cultural Performances:** Students present lively cultural performances, including traditional dances like Kuchipudi and folk songs, adding to the festive atmosphere and showcasing the rich cultural heritage of India.

Conclusion:

The Sankranthi celebration at Sir C R Reddy College of Engineering is not just a festival; it's a vibrant celebration of culture, tradition, and community spirit. By coming together to celebrate this auspicious occasion, students strengthen bonds, foster unity, and embrace the rich cultural heritage of India. As the festival draws to a close, the spirit of joy, camaraderie, and prosperity lingers on, leaving lasting memories for all who participated.

EVENT REPORT

Name of the program: Christmas celebrations

Date: 23-12-2022

Venue: Institution

Organized By: Institution- Sir C R Reddy College of Engineering

Introduction: The spirit of Christmas brings warmth and joy to hearts around the world, and at Sir C R Reddy College of Engineering, we embrace this festive season with enthusiasm and cheer. Every year, our college campus transforms into a hub of merriment as we come together to celebrate the joyous occasion of Christmas. This cherished tradition is not just about decorations and festivities but also about fostering a sense of community, spreading love, and embracing the spirit of giving.

Event Highlights: The Christmas celebrations at Sir C R Reddy College of Engineering are a delightful blend of tradition, joy, and generosity. The campus comes alive with the grand lighting of the Christmas tree, marking the beginning of a series of cultural performances that showcase the talents of our students. From vibrant music to captivating dance routines, the festivities resonate with the spirit of the season, spreading warmth and cheer throughout the college community.

In the spirit of giving, students and faculty come together to organize charity drives, offering support to the less fortunate in our society. The joy of giving is further amplified during the Christmas feast, where everyone gathers to enjoy a lavish spread of festive delicacies, strengthening bonds of friendship and camaraderie. And no Christmas celebration would be complete without the arrival of Santa Claus, who brings smiles and laughter as he distributes gifts, adding a touch of magic to the festivities.

Conclusion: The Christmas celebrations at Sir C R Reddy College of Engineering are more than just a series of events; they are a reflection of our shared values of love, compassion, and community spirit. As we come together to celebrate this joyous occasion, we strengthen the bonds of friendship and unity that define our college campus. May the spirit of Christmas continue to inspire us all to spread love and kindness throughout the year.

EVENT REPORT

Name of the program: DIWALI Celebrations

Date: 24-10-2022

Venue: Institution

Organized By: Institution- Sir C R Reddy College of Engineering

Introduction: Sir CR Reddy College of Engineering pulsates with vibrant energy as the auspicious festival of Diwali casts its shimmering glow upon its campus. Students and faculty alike eagerly anticipate the festivities, which promise to be a kaleidoscope of culture, tradition, and joy. The air is filled with anticipation as preparations unfold, igniting the spirit of unity and celebration among the college community. With each flicker of a Diya and burst of firecracker, the campus transforms into a realm of enchantment, echoing the rich heritage and fervor of Diwali.

Event Highlights: The Diwali celebrations at Sir CR Reddy College of Engineering are a spectacle to behold, encompassing a plethora of activities and festivities. The campus comes alive with intricately adorned decorations, dazzling lights, and traditional motifs, evoking a sense of nostalgia and warmth among students, faculty, and visitors alike.

The festivities commence with traditional prayers and rituals, invoking blessings for prosperity and happiness. Cultural performances take center stage, showcasing the diverse heritage of India through mesmerizing dance forms, melodious music, and captivating dramas. The air is filled with the aroma of delectable delicacies as students indulge in traditional sweets and savory treats, sharing laughter and camaraderie.

The highlight of the event is the grand fireworks display that illuminates the night sky, casting a spellbinding spectacle that leaves everyone in awe. Sparklers, firecrackers, and lanterns adorn the campus, adding to the magical ambiance of the evening.

Conclusion: As the echoes of laughter and joy reverberate across the campus, the Diwali celebrations at Sir CR Reddy College of Engineering serve as a testament to the spirit of togetherness and cultural harmony that defines the institution. It's not just a festival; it's a celebration of unity, diversity, and the triumph of light over darkness. Through these festivities, the college not only honors tradition but also fosters a sense of community and belonging among its members, enriching the tapestry of campus life and leaving an indelible mark on all who partake in its splendor.

EVENT REPORT

Name of the Activity	REPUBLIC DAY CELEBRATIONS
Type of Activity	Celebrations
Date and Time of the activity	26-01-2023
Organising	Institution-Sir C R REDDY COLLEGE OF ENGINEERING

Description:

The **Republic day** was celebrated by Sir C R REDDY COLLEGE OF ENGINEERING on 26th January every year honouring the constitution of India. The Republic Day celebrations organized by Sir C R Reddy College of Engineering were a resounding success, uniting the college community in a spirit of patriotism and national pride. The event served as a reminder of the sacrifices made by the freedom fighters and the responsibility of every citizen to uphold the principles of democracy and secularism.

As part of the celebrations, an inspirational speech was delivered by Dr.K.Venkateswara Rao, Principal Sir C R Reddy College of Engineering, emphasizing the importance of upholding the principles of democracy, secularism, and social justice enshrined in the Constitution. The speech encouraged students to actively participate in nation-building and contribute to the progress and development of the country.

EVENT REPORT

Name of the Activity	INDEPENDENCE DAY
Type of Activity	Celebrations
Date and Time of the activity	15-08-2022
Organising	Institution-Sir C R REDDY COLLEGE OF ENGINEERING

Description:

On August 15, 2023, Sir C R Reddy College of Engineering commemorated Independence Day with fervor and enthusiasm. The event, organized by the institution, was a significant occasion to honor the nation's freedom struggle and celebrate its hard-earned independence.

The celebrations commenced with the hoisting of the national flag, symbolizing unity and patriotism among the students, faculty, and staff. A series of cultural programs followed, including patriotic songs, dances, and speeches that highlighted the importance of freedom and the sacrifices made by the nation's heroes.

The Independence Day celebrations at Sir C R Reddy College of Engineering served as a reminder of the values of freedom, democracy, and unity. It was a momentous occasion that brought the college community together in a spirit of patriotism and national pride.

EVENT REPORT

Name of the Activity	DATTA KRIYA YOGA Workshop on INTERNATIONAL YOGA DAY
Type of Activity	Celebrations
Date and Time of the activity	21-06-2022
Organising	FIRST YEAR ENGINEERING DEPARTMENT

Description:

The First Year Engineering Department organized a Datta Kriya Yoga Workshop in celebration of International Yoga Day on June 21, 2022. The trainer Dr.K.Adi Narayan was the chief guest of this event, he taught basic postures , pranayama and meditation techniques to students. The workshop aimed to introduce participants to the transformative practice of Datta Kriya Yoga and promote holistic well-being among students and faculty members. Experienced yoga instructors led the participants through various Datta Kriya Yoga techniques, including asanas (physical postures), pranayama (breathing exercises), and meditation. Participants were encouraged to actively participate and engage in the practices to experience their benefits first hand.

The workshop also included practical demonstrations and hands-on sessions where participants learned how to incorporate Datta Kriya Yoga into their daily routines. Tips for maintaining a healthy lifestyle through diet and relaxation techniques were shared to complement the yoga practice.

Former HoD, Dept of Civil Engineering, BMSIT&M, Bangalore
Former Scientist, IPIRTI(MOEF, Govt. of India), Bangalore
Former Design Engineer, Torsteel Research Foundation in India, Bangalore

- *Dr. Jagadish Vengala obtained his doctoral degree on "Seismic Response Study of bamboo based Constructions" from VTU, Belgaum during 2015 for which he conferred with INAE Innovative PhD Thesis by the Indian National Academy of Engineering (INAE). He obtained his Master's degree in Construction Technology from BMS College of Engineering, Bangalore, in 2002 and Bachelor's degree in Civil Engineering from Koneru Lakshmaiah College of Engineering, Vijayawada in 1998. After two years [2002-2004] as a design engineer at Torsteel Research Foundation, Bangalore he joined IPIRTI (under Min. of Env & Forests, Govt of India) as a scientist in August 2004 and worked for 11 years [2004-2015] for IPIRTI, Bangalore. With a passion in teaching, he left the Govt. Job and started formal teaching in 2015 at BMS Institute of technology, Bangalore and worked during August 2015 to May 2018. He worked as Head of the department during 2016 to 2018. He has got more than 21 years of research, industry and teaching experience.*
- *He was recipient of Outstanding Concrete Engineer – Andhra Pradesh for the year 2021 by ICI-Vijayawada Centre and Prof. V. Ramakrishnan's Young Scientist award for the year 2008-2009 by Indian Concrete Institute. He was recipient of 5th CIDC Viswakarma Award – Under the category of Achievement Award for Scientist for the year 2013. He was recipient of "Distinguished professor award" by Amaravathi Research Academy for the year 2020 and "Outstanding Faculty award" for the year 2019 by Venus International Foundation, Chennai.*
- *In 2009, He attended as a member of the damage inspection team for the world's largest earthquake test on seven storied wood building (40'X60') at Miki City, Japan under National Science Foundation (NSF) Project, USA. He was the recipient of a BOYSCAST Fellowship in 2008 from Department of Science and Technology, under which he worked with Prof. John Van de lindi, Dept. of Civil Engineering, Colorado State University, USA.*
- *He has delivered more than 214 invited & guest lectures at various National and International forums. Chaired/Co-chaired more than 25 sessions in International and National Conferences. He organized more than 50 numbers of workshops/seminars/conferences/training programmes. He has published about more than 52 research papers in various International and National Journals and International Conferences out of which he received 5 "Best Paper" awards. He has guided more than 30M.Tech. and B.Tech. Thesis. He has got a patent on his credit.*
- *He was mentor for the team "CIVIMECHOS" in 2019 and "Vserve" in 2022 participated in Smart India Hackathon Grand Finale and teams won 2nd Runner up at National Level organised by MHRD Innovation Council, Govt of India.*
- *He was recently elected as Chairman, ICI-AP-Vijayawada Chapter, Director, Bamboo Society of India, Andhra Pradesh Chapter. He was recently elected as National Governing Council Member, Bamboo Society of India for 2021-23. He served as management committee member for Indian Concrete Institute -Karnataka Bangalore Centre during 2007-11 and 2017-2019*
- *He was the reviewer for Journal of Structural Engineering (ASCE), The Indian Concrete Journal, International Journal of Earth Sciences and Engineering, Journal of Bamboo and Rattan, Journal of Cleaner Materials, Ingenieria E Investigacion and Materials Today Proceedings (Elsevier). He is Indian Green Building Council Accredited Professional.*
- *He is the Fellow of Institute of Engineers (India), ACCE (India) and life member Indian Concrete Institute, Bamboo Society of India, LAWS, ISCA. His research interests include Sustainable Building materials, self-compacting concrete, Concrete Technology, Cementitious materials, earthquake engineering; bamboo-based and pre-fabricated housing*

Sir,

Subject: Sir C R Reddy College of Engineering, Eluru- Department of Civil Engineering-
Invitation to Dr. Muvvala Ramarao – Guest Speaker for Dr. K.L Rao's Birthday Celebrations-Reg.

I hope you are in good health and high spirits. I am writing this on behalf of Department of Civil Engineering, Sir C R Reddy College of Engineering, Eluru to extend our warmest invitation to you as the esteemed guest speaker for the upcoming Dr. K.L Rao's Birthday Celebrations. The event is scheduled to take place on 15th July 2023 at our college premises.

As the Head of the Department at Sasi Institute of Technology & Engineering, we believe your valuable insights and expertise would greatly enrich the event. Your vast knowledge and experience in the field would undoubtedly inspire and motivate our students and faculty members.

The event aims to commemorate the birth anniversary of Dr. K.L Rao, a renowned figure in the field of Civil Engineering and a source of inspiration for many aspiring engineers. We envision the celebration as an occasion to honor his remarkable contributions and promote the spirit of innovation and progress he exemplified throughout his career.

We kindly request you to deliver a keynote address on a topic of your choice that aligns with the theme of the event. Your speech, sharing your experiences and expertise, would provide valuable guidance to our students, who greatly admire your accomplishments.

Thanking you sir,

Yours Sincerely,

HOD-CIVIL

NOTICE

It is our tradition to celebrate Padma Bhushan Dr. K. L. Rao's Birthday every year on 15 July in the Civil Engineering Department. In memory of his great service to Civil Engineering, a guest lecture is arranged on "**Mind Map for Engineers**" by Dr. M. Rama Rao, HOD & Professor, Department of Civil Engineering, SASI Institute of Engineering & Technology (A) at 09:00 am in Library Seminar Hall. I hope that every Civil Engineering student seizes this incredible opportunity and excels in their academic pursuits.
