DEPARTMENT VISION AND MISSION

VISION

To be a premier department in the region in the field of Information Technology through academic excellence and research that enable graduates to meet the challenges of industry and society.

MISSION

- To provide dynamic teaching-learning environment to make the students industry ready and advancement in career.
- To inculcate professional and leadership quality for better employability and entrepreneurship.
- To make high quality professional with moral and ethical values suitable for industry and society.

ABOUT THE DEPARTMENT

Information Technology is the most flourishing and extremely pervasive discipline that is witnessing an unprecedented Innovation in Technologies for Communication, Computation, and Interactivity. The Information Technology Department in SIR CRRCOE started its journey in the year 2000 with an intake of 60 students. We now have strong Undergraduate Program with an annual intake of 120 students.

The Department of Information Technology is committed to excellence in Teaching, Research and provides the right echo system for nurturing the budding professional skills of students. The Department has well experienced staff with doctorates & M.Tech qualification. The Department is equipped with state-of-the-art Laboratories and provides enhanced Learning Facilities for students, to engage in Continuous Learning and Research. The students are imparted with Industry Relevant skills, which help them to get placed in world-class Organisations and for further excellence throughout their Professional careers.
