Minutes of Meeting

1. The Chairman extended a warm welcome to University representatives, subject experts, industry representative, alumni representative and faculty members on the eve of first BoS held on August 9, 2024.
2. Chairman introduced himself and rest of the faculty to the board.
3. The Chairman reiterated the agenda of the first BOS meeting - Civil Engineering Department to the constituent members.
4. It was brought to the notice of the board that Civil and Mechanical Engineering branches were under Group A in the present course structure, as a consequence some of the subjects placed in 2nd semester needs to be shifted to the 1st semester instead of retaining them in the 2nd semester.
5. It was resolved to approve new course structure of 1st and 2nd Semesters of First Year Subject syllabus of Civil Engineering Students for the A.Y.: 2024-25.
6. i) Dr. D. Koteswara Rao, University representative, suggested to replacing "Basic Civil and Mechanical Engineering" listed as a mandatory core with "Building Materials and Construction" placed under Engineering Sciences group (Serial number 4 item) as a regular course in 1st semester curriculum as it was a core subject.
ii. Dr. Dalinaidu Arnepalli, subject expert suggested to include a discussion on bituminous materials, types and a brief discussion on soils in the first unit of "Building Materials and Construction."
iii. Dr. Mahabu Subhani, subject expert agreed to the introduction of more civil engineering materials, with a specific emphasis on their use in projects.
iv. Er. D. Satyanarayana, industry expert suggested to introduce an experiment on "Setting out a Building using Tape and Cross Staff." replacing the "Verification of the Law of Moment using the Rotation Disc Apparatus and Bell Crank Lever".
